TRUST US TO COVER YOUR BUSINESS

At JW Seagon - one of Africa's leading independent brokers - we're always on the lookout for new and innovative solutions. And for those Companies operating in the Horticultural sector, we've developed a comprehensive business insurance policy that is designed to cover all eventualities.

Any business operating in this environment will be aware of the unique risks involved. From the fundamentals of fire to the very regular claims resulting from adverse weather conditions. Our policy is provided on a full 'All Risk' basis, so whatever the peril, you will always feel protected.

HORTICULTURAL INDUSTRY – WE'VE GOT IT COVERED

JW Seagon is at the forefront of the development of unique, comprehensive and packaged insurance policies designed for specific industries. Like our range of products already released, Horti Plan is our latest offering, a policy designed for your industry.

We have teamed up with top quality local Insurers and are able to provide you with this unique, competitively priced policy designed for you.

Simple to understand, simple to administer and the widest cover on the market...this gives you a one-stop-shop, for, what has historically been an overly complex part of your business practise.
