Premier Aviation – don't fly without it

For anyone owning their own private or commercial aircraft, we're delighted to introduce Premier Aviation – the latest bespoke insurance scheme designed by JW Seagon.

Premier Aviation is brought to you in partnership with Allianz (the largest and most experienced aviation insurance provider in the World) and as you would expect, the extensive benefits give you all the cover you need when you take to the skies:

- ✓ Liability cover up to \$25m
- ✓ AA rated worldwide
- ✓ Policy is provided locally but international Lloyds wording used
- ✓ Scheme provides cover for all fixed and rotor wings aircraft (excluding gyrocopters and ultra-lights)
- ✓ Scheme provides cover up to \$5m per aircraft for hull damage (higher limits can be arranged if required)
- ✓ Cover can include war, spares, cargo/mail, and crew/passenger personal accident.

A service you can rely on

When it comes to insurance, we understand that service levels are just as important as benefit levels. That's why Premier Aviation comes with a local broking service to ensure all policies are issued promptly and are supported by a local claims network in Kenya.

What's more, subject to sight of current schedule and satisfactory risk details, JW Seagon guarantees to beat your current premiums, with no compromise on your cover.
